

## 5º INTERNATIONAL CONGRESS | IACS 2023 | Challenges and Innovation in Infection Control

### PROGRAM

25 <sup>th</sup> october 2023					
<b>Pre-Congress Courses</b> (registration required)					
15h-19.00h		<b>S6: "Vascular access management"</b> José Martinez & Diana Ramada (IPOPFG, EPE, Portugal)			
14h-18.00h		<b>S7: "Research: from data analysis to dissemination of results"</b> Manuela Ferreira (ESSNorteCVP, Portugal)			
14h-18.00h		<b>S8: "Venous ulcer, lymphedema and compression therapy"</b> Énio Afonso (Hospital CUF Descobertas, Portugal)			
26 <sup>th</sup> october 2023					
Participant accreditation: 8h00m					
9:30h-10.00h	POSTERS PRESENTATION	<b>SA:</b> Inaugural Conference: <b>"The impact of updating the Infection Control Prevention Program"</b> José Artur Paiva (National Director of the Infection Prevention and Control Program and Antimicrobial Resistance) <i>Moderator: Fernanda Príncipe</i> (ESSNorteCVP, Portugal)			
10.00h-11h		<b>SA: Opening Session</b> José Artur Paiva (DGD, representing the Subdiretor-Geral da Saúde) Emídio Sousa (President of Câmara Municipal de Santa Maria da Feira) Carlos Carvalho (Clinical Director of CHEDV, EPE) Henrique Pereira (President of the Board of Directors of ESSNorteCVP)			
11.00h-11:30h		<i>Coffee break</i>			
11.30h-12:30h		<b>SA: Panel: The threat of multidrug-resistant microorganisms: Infection Prevention and Control Strategies "Carbapenemase-producing Enterobacterales - multimodal infection prevention and control strategy"</b> Andrea Dias (CHTS, Portugal) <b>"Antibiotic stewardship: the importance of the Prescription Support Program"</b> Rita Ferraz (CHTS, Portugal) <b>"Monitoring of PBVTs"</b> Ana Dias (CHTS, Portugal) <i>Moderator: Ana Cristina Silva</i> (CHEDV, EPE, Portugal)	<b>S6: Panel: Importance of the quality of the indoor environment "Importance of Air Quality in Hospitals"</b> Yves Martin (Hospitais universitários de Genebra, Switzerland) <b>"Importance of the ventilation system in mitigating contamination"</b> Francisco Brito (Such, Portugal) <b>Water quality monitoring: transposition of the European directive - Decree Law 69/2023"</b> Pablo Blanco & José António Rodriguez (Grupo ITALSAN, Portugal) <i>Moderador: Salete Mota</i> (CHEDV, EPE, Portugal)	<b>S7: Panel: UL-PPCIRA intervention supported by research results "The relevance of research/implementation science in PPCIRA"</b> Francisco Mendes (APIH, Portugal) <b>"Methodology for implementing new signage in PBVT, based on research results"</b> Ricardo Conceição (SPCIRA CHUC, Portugal) <i>Moderator: Celinia Antunes</i> (CHUC, Portugal)	<b>S8: Panel: Food, without causing harm "Food, without causing harm - Improvement project"</b> Sandra Caeiro (CHUA, Portugal) <b>"Oral immunotherapy in the newborn"</b> Lídia Arrimar (CHUA, Portugal) <b>"Human Milk Bank"</b> Diana e Silva (CHUSJ, Portugal) <i>Moderator: Fátima Menezes</i> (CHEDV, EPE, Portugal)

## 5º INTERNATIONAL CONGRESS | IACS 2023 | Challenges and Innovation in Infection Control

### PROGRAM

12:30h-14.00h	<b>LUNCH</b>				
14.00h-15.00h	<p><b>SA: Workshop FACTOR PLUS</b>  <b>“Suction system and oral hygiene solutions for ventilated patients”</b>  Rui Nelson (Commercial Director, Portugal)</p>	<p><b>S6: Workshop RACLAC</b>  <b>“Are we doing everything we can to prevent HAI?”</b>  Raquel Pinho (PharmD   Technical Direction   Executive Board Member at Raclac S.A.)  Marta Silva (Specialized Account Manager at Raclac S.A.)</p>	<p><b>S7: Workshop ETHICON - Johnson &amp; Johnson</b>  <b>“ETHICON Innovative Solutions in the control and prevention of ILC – National and International Recommendations”</b>  Andreia Francisco (Ethicon, Portugal)</p>	<p><b>S8: Workshop DR. SCHUMACHER GmbH - Desinfektion, Hygiene und Pflege</b>  <b>“Surface Disinfection - New trends”</b>  Martin Orlick (Dr. Schumacher Iberi, Portugal)</p>	<p><b>S9: Workshop IMPORQUIMICA</b>  <b>“Sink drains and the biofilm challenge, an important topic to reduce HAI”</b>  Agustin Mariscal (Kersia Group, Spain)</p>
15.00h-15:30h	<p><b>SA: Conference: “Lessons from the SARS-CoV-2 Pandemic”</b>  Filipe Froes (DGS and CHULN Consultant, Portugal)  Moderator: Lucia Gonzalez (CHEDV, EPE, Portugal)</p>				
15.30h-16.30h	<p><b>SA: Panel: Research and innovation in infection control</b>  <b>“Research priorities in infection prevention and control”</b>  Liliana Mota (ESSNorteCVP, Portugal)  <b>“Now for the hard part – implementing the innovation!”</b>  Martin Kiernan (Visiting Clinical Fellow, University of West London, United Kingdom)  <b>“Innovation in supporting health security”</b>  Jorge Mota (CESAE, Portugal)  Moderator: Cátia Caneiras (Instituto de Saúde Ambiental, Faculdade de Medicina da Universidade de Lisboa, Portugal)</p>				
16.30h	<p><b>SA: Expert Meeting</b>  <b>“ERC’s and the limits of reach of classic infection control strategies”</b>  Soraia Bispo (Hospital da Luz, Portugal)</p>		<p><b>Oral Presentations</b>  <b>S6: Moderator: Sónia Novais</b> (ESSNorteCVP, Portugal)  <b>S7: Moderator: Ricardo Melo</b> (ESSNorteCVP, Portugal)  <b>S8: Moderator: Igor Pinto</b> (ESSNorteCVP, Portugal)  <b>S9: Moderator: Mário Branco</b> (ESSNorteCVP, Portugal)</p>		

## 5º INTERNATIONAL CONGRESS | IACS 2023 | Challenges and Innovation in Infection Control

### PROGRAM

27 <sup>th</sup> october 2023		Opening of the Secretariat: 08h30m				
9.00h-10.00h		<p><b>SA: Workshop HARTMAN</b>  <b>“Disinfection of surfaces in a hospital context – a vision of sustainability”</b>                      Verónica Fonseca (CUF Descobertas, Portugal)                      Sílvia Morgado (Diretora Técnica PAUL HARTMANN, Lda, Portugal)</p>	<p><b>S6: Workshop BBRAUN</b>  <b>“Care for the mouth of intubated patients is less more?”</b>                      Maria João Batista (HSFX - CHLO, Portugal)</p>	<p><b>S7: Workshop MEDLINE</b>  <b>“Urinary Infection Associated with Bladder Catheter – how to prevent it?”</b>                      Alexandra Pais (Medline Clinical Sales, Portugal)</p>	<p><b>S8: Workshop ARIXMED</b>  <b>“A new approach to skin hygiene to prevent infection”</b>                      Paulo Ramos (ACES Grande Porto IV - Póvoa do Varzim/Vila do Conde)</p>	
10h-10h45		<p><b>SA: Panel: Improving efficiency in healthcare</b>  <b>“Artificial intelligence in the surveillance of ILCs”</b>                      Américo Agostinho (Switzerland)  <b>“ Incident declaration, healthcare improvement process”</b>                      Stéphanie Rocha (Hospitais universitários de Genebra, Switzerland)  <b>“Data protection”</b>                      Rui Gomes (CHUC, Portugal)                      Moderator: Américo Agostinho (Switzerland)</p>				
10h45-11h15m		<i>Coffee break</i>				
11h15-11h45		<p><b>SA: Conference: “Prevention of Hospital-acquired Pneumonia”</b>                      Brett Mitchell (Avondale University, Australia)                      Moderator: Martin Kiernan (Visiting Clinical Fellow, University of West London, United Kingdom)</p>				
11h45-12h45h		<p><b>SA: Panel: Nosocomial sepsis: a constant threat</b>  <b>“National and International Epidemiology”</b>                      Paulo Mergulhão (UL-PPCIRA do Hospital Lusíadas Porto)  <b>“Preventive strategies”</b>                      Cristina Nunes (GCL-PPCIRA da Unidade Local de Saúde do Nordeste)  <b>“Focus on nosocomial pneumonia”</b>                      João Gonçalves Pereira (Hospital Vila Franca de Xira)                      Moderator: Mário Branco (ESSNorteCVP, Portugal)</p>	<p><b>S6: Panel: Multidrug-resistant Pseudomonas aeruginosa – an emerging problem in Portugal</b>  <b>“Molecular epidemiology of Pseudomonas MR”</b>                      Cátia Caneiras (Instituto de Saúde Ambiental, Faculdade de Medicina da Universidade de Lisboa, Portugal)  <b>“Challenges in the treatment of Pseudomonas MR”</b>                      Carla Mimoso (CHULN, Portugal)  <b>“Reality in a ULS”</b>                      David Peres (ULS Matosinhos, Portugal)                      Moderator: Mariana Silva (CHEDV, EPE, Portugal)</p>	<p><b>S7: Panel: Multidrug resistant - current reality and difficulties in Management</b>  <b>“Evolution at the Tondela Viseu Hospital Center”</b>                      Helder Patrício (CHTV, Portugal)  <b>“Discontinuation of measures and constraints”</b>                      Elisabete Figueiredo (CHTV, Portugal)  <b>“Case Management in the Community”</b>                      Tiago Machado (CHTV, Portugal)                      Moderator: Pedro Crespo (CHTV, Portugal)</p>	<p><b>S8: Panel: Innovative projects in Infection Control</b>  <b>“PrevenITU Project”</b>                      Magda Sousa (UR-PPCIRA - Região Autónoma dos Açores, Portugal)  <b>“Critical Lean Infection Group”</b>                      Irene Aragão (CHUdSA, Portugal)  <b>“Implementation of an oral hygiene protocol”</b>                      Lucía Gonzalez (CHEDV, EPE, Portugal)                      Moderator: Alexandra Fernandes (CHUdSA, Portugal)</p>	<p><b>S9: Panel: Cancer Patients - Challenges in Infection Prevention and Control</b>  <b>“The challenge of preventing and controlling infection in palliative patients in the home and hospital context”</b>                      Cristina Pereira (GCL-PPCIRA - IPOPF, EPE, Portugal)  <b>“PPCIRA &amp; the cancer patient – the perspective of a different hospital”</b>                      Fábio Santos (UL-PPCIRA - IPOPF, EPE, Portugal)                      Moderator: Margarida Alvarenga (IPOPF, EPE, Portugal)</p>
12.45h-14.15h		<i>Lunch</i>				

## 5<sup>o</sup> INTERNATIONAL CONGRESS | IACS 2023 | Challenges and Innovation in Infection Control

### PROGRAM

14.15h-15h00	<p><b>SA: Surgical Site Infection Prevention: Are We Doing Enough?</b>  <b>“SSI prevention: moving from guidelines to real practice”</b>                  Debbie Xuereb (Malta)  <b>“Can an SSI prevention champion model bring real life to SSI guidelines &amp; improve uptake of evidence based SSI prevention recommendations?”</b>                  Lilian Chiwera (Sherwood Forest Hospitals NHS Foundation Trust, UK)                  Moderator: Clara Carvalho (CHLO, Portugal)</p>				
15h00-16h00	<p><b>SA: Sa: Workshop PMH</b>  <b>“Skin cleansing and decontamination”</b>                  Martin Kiernan (Visiting Clinical Fellow, University of West London, United Kingdom)</p>	<p><b>S6: Workshop TEPREL</b>  <b>“High-level disinfection – Experience the power of Chlorine Dioxide”</b>                  Jessica Botting (Tristel Solutions, United Kingdom)</p>	<p><b>S7: Workshop BD</b>  <b>“BD your partner in infection prevention - Best practices in preventing infections associated with vascular access and urinary catheters”</b>                  Virginia Lee (Clinical Development)                  Eudald Perez (Market Development Manager)</p>		
16h00-16h30	<p><b>SA: Conference: “4th Mode of Nosocomial Transmission ...”</b>                  Evonne Curran (Honorary Senior Research Fellow – School of Health and Life Sciences Glasgow Caledonian University, United Kingdom)                  Moderator: Paulo André (CHBM, Portugal)</p>				
16h30	<p><b>SA: Awards:</b> Research, best oral communication and best poster</p> <p><b>Closing of the congress</b></p>
